Understanding Visual Communication & Reading in Deaf Children

Do you know a child who is starting reception in September 2022 or 2023 who can help with this study???

- Severely or profoundly deaf, diagnosed before 3yrs old
- Use a speech or sign language, or both
- Have no difficulty that would make it hard to complete 6 x 15mins tasks on a computer

Children would be visited every 6 months over 3yrs, either at the child's home or school.

Do you know someone? Please get in touch: *VisualCR@ucl.ac.uk*

This study has been approved by the UCL Research Ethics Committee, Project ID 3612/012
