

Roger Touchscreen Mic Survey

Your feedback is important to us!

We would value your insights and experience with the Roger Touchscreen Mic. We kindly ask if you could complete a short survey* which will help us better meet your needs and requirements in the future.

The survey should take approx. ten minutes to complete.

Please note that once you begin the survey, it's important to complete it in one session, as there is no option to save your progress and return later.

Scan or click the QR code below to complete the survey.
